Rules for the payment of the expenses of complainants and witnesses attending criminal courts in the City of Madras.

Under section 544 of the Code of Criminal Procedure, the Governor in Council, with the previous sanction of the Governor-General in Council, is pleased to make the following revised rules for regulating the payment, on the part of Government, of the expenses of witnesses (including complainants) attending the criminal courts in the City of Madras:—

1. Subject to the provisions hereinafter contained, the expenses of witnesses will be paid on behalf of Government in the following classes of cases, viz.—

(*a*) Cases shown in the second schedule of the Code of Criminal Procedure as not bailable.

(*b*) Cases in which the prosecution is instituted or carried on under the orders or with the sanction of the Governor in Council or of any public servants acting as such.

(*c*) Where the witness in question has been compelled to attend by a process issued under section 540 of the Code.

(*d*) Cases in which the court certifies that the attendance of such witness was directly in furtherance of the interests of public justice.

2 (1) For the purposes of these rules, Europeans, Eurasians and Natives shall be divided into three classes, and the Magistrate before whom they are required to appear, or the Commissioner of Police or in the case of witnesses from the mufassal, the Magistrate of the district from which they come shall fix the class with due regard to the station in life of each individual.

(2) For the purposes of this rule, the Magistrate of the district may delegate his powers to any Subordinate Magistrate.

3. The following are the maximum rates which may be awarded to the several classes of witnesses, and no expenses in excess of, or other than, those here provided for shall be allowed :—

Witness.	Class.	Subsistence allowances.	Carriage-hire allowable for days of actual attendance.	Travelling expenses, if any incurred		
				By rail.	By road	By sea or canal.

	2nd ,,	3 ,, ,,	2 ,, ,,	2nd class.	6 ,, ,, ,,	
	3rd ,,	1½ ,, ,,	1 rupee ,,	3rd ,,	4 ,, ,, ,,

	2nd ,,	1 rupee ,,	1 rupee ,,	2nd ,,	3 ,, ,,	
	3rd ,,	8 annas ,,	Nil.	3rd ,,	2 ,, per 10 miles.	

4. All disbursements under these rules shall be made by the Commissioner of Police, to whom witnesses coming from the mufassal should report themselves on arrival at Madras.

5. Witnesses resident in the Presidency town will be entitled only to such actual expenses as they may show to the satisfaction of the Commissioner of Police that they have been obliged to incur in obedience to the process or order of the courts.

6. Witnesses sent from the mufassal will be furnished with a certificate by the despatching Magistrate showing the class to which they belong, the date of their departure, and the correct distances (if any) to be travelled by road; and unless such certificate is produced before the Commissioner of Police, that officer may disallow all or any of the expenses claimed.

7 Mufassal Magistrates may make reasonable advances to witnesses summoned by the High Court or Presidency Magistrates and requiring such advances to enable them to reach Madras, but shall in every such case note the same on the certificate referred to in rule 6. The Commissioner of Police should also be advised of such advances, and he will refund the amount to the officer making the advance.

8. Whenever it is practicable for witnesses to travel by rail or steamer, they shall be allowed no more than the rates prescribed for those modes of conveyance.

9. Subsistence allowance may be paid for the days occupied in travelling to Madras as well as in the return journey. The subsistence allowance at Madras will cease as soon after the conclusion of the inquiry or trial as the means of quitting the town become available.

10. The expenses of witnesses will be paid on production of a certificate signed by the presiding Magistrate or in the case of the High Court by the Clerk of the Crown setting forth the inquiry or trial in which their attendance was required and the days on which they attended.

11. It shall be competent to the court before which a witness appears to disallow payment of any expenses on behalf of Government if for any cause such court thinks fit to do so.

12. The Commissioner of Police will disallow the whole or part of the expenses of any witness for the defence whose evidence may not seem to him to have been material, unless he is satisfied that such witness has been brought down to Madras against his will and that no compensation for his expenses has been paid or deposited by the defendant. This power does not extend to the case of a witness who has been examined and certified by the Court or Magistrate to have been material.

13. In applying the foregoing rules to public servants to whom the Civil Service Regulations are applicable the following additional rules shall be observed :—

(1) When a public servant appears in any case under rule 1 to give evidence in his official capacity, that is, evidence of facts within his knowledge as an official, no payment shall be made to him, but the court will give him a certificate setting forth that he appeared to give evidence of what had come to his knowledge, or of matters with which he had to deal, in his official capacity, the dates on which he appeared and the period for which he was detained, so as to enable him to draw travelling allowance and batta under article 1133 of the Civil Service Regulations.

(2) When a public servant appears in his official capacity as a witness in a case which does not come under rule 1 (*e.g.*, in a case in which section 244 (3) or 257, Code of Criminal Procedure, is applied), or when a public servant appears to give evidence in any case as a private person, travelling allowance and batta may be paid to him in the ordinary manner, but the court shall send an advice of all such payments made to him to the head of the office in which he is employed. In this advice the amount paid as batta and the period during which the attendance of the witness in court was necessary shall be stated.

(3) When an official of the Court of Wards appears in his official capacity as a witness in a case connected with an estate under the superintendence of the Court of Wards, the Judge or Magistrate before whom the trial takes place will furnish such official with a certificate showing the days on which he attended to give evidence and the amount of batta and travelling allowance paid to him on that account.

(4) When a public servant whose emoluments are governed by the Army Regulations, India, appears in any case under rule 1 to give evidence in his official capacity, he shall be paid the travelling allowance and batta admissible under these rules, and shall be furnished with a certificate showing in detail the amount paid. If the amount paid is less than the amount admissible to him under the military rules to which he is subject, the difference will be paid to him by the military authorities on production of the certificate.

14. Medical subordinates in Local Fund or Municipal employ (including Government servants lent to, and paid by, local bodies) when attending court to give evidence in their public capacity shall be paid the same rates of travelling allowance and batta as would be admissible to Government servants of similar grades under the Civil Service Regulations.

15. Subjects of the French Government who are in the official employ of that Government in the French Dependencies in India appearing as witnesses before criminal courts in Madras City may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. Magistrates are required to refer any claim under this rule for scrutiny to the Collector of South Arcot, who is the Special Political Agent for the French Dependencies in India.

16. Officials of the Government of Ceylon appearing as witnesses before courts in Madras City may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. The claim should be submitted through the head of the department to which the official belongs.

17. Officials of the Mysore Durbar appearing as witnesses in their official capacity before courts in Madras City may, if such claim be made, be paid their expenses at the rates at which they would be entitled under the Regulations of their own Government. This arrangement may be extended by the Government to other Native States which have agreed to pay the expenses of British official witnesses from the Madras Presidency appearing in their courts on the same scale as that admissible to them under the Regulations of the Madras Government.

No. 495.—

Rules for the payment of the expenses of complainants and witnesses attending criminal courts in the Madras Presidency outside the Presidency Town.

Under section 544 of the Code of Criminal Procedure, the Governor in Council, with the previous sanction of the Governor-General in Council, is pleased to make the following revised rules for regulating the payment, on the part of Government, of the expenses of witnesses (including complainants) attending criminal courts in the Madras Presidency other than those of the City of Madras:—

1. The criminal courts are authorised to pay, at the rates specified in rule 4, the expenses of complainants and witnesses in cases in which the prosecution is instituted or carried on by, or under the orders, or with the sanction of the Government, or of any Judge, Magistrate, or other public officer, or when it shall appear to the Judge or Magistrate presiding over such court to be directly in furtherance of the interests of public justice; also in cases entered in column 5 of schedule II appended to the Code of Criminal Procedure as not bailable; and in all cases in which the witnesses are compelled to attend by a Magistrate under the provisions of chapter XLVI of the Code.

2. (1) For the purpose of these rules witnesses are divided into two classes, namely, of officials and non-officials. Official witnesses, that is to say, public servants to whom the Civil Service Regulations are applicable summoned to give evidence as officials, are entitled to receive for their journeys to and from the court and for the days spent by them in attendance at the court to give evidence in cases coming under rule 1, travelling allowances at the rates prescribed by the Civil Service Regulations for the time being in force. The court shall not, however, make any payment to official witnesses in such cases, but shall grant them certificates setting forth that they appeared to give evidence of what had come to their knowledge, or of matters with which they had to deal, in their official capacity, the date on which they appeared and the period for which they are detained, so as to enable them to draw travelling allowance and batta under article 1130 of the Civil Service Regulations.

(2) When a public servant appears in his official capacity as a witness in other cases (*e.g.*, in cases in which section 244 (3) or 257, Code of Criminal Procedure, is applied), or when a public servant appears to give evidence in any case as a private person, travelling allowance and batta may be paid to him in the ordinary manner, but the court shall send an advice of all such payments made to him to the head of the office in which he is employed. In this advice the amount paid as batta and the period during which the attendance of the witness in court was necessary shall be stated.

(3) When an official of the Court of Wards appears in his official capacity as a witness in a case connected with an estate under the superintendence of the Court of Wards, the Judge or Magistrate before whom the trial takes place will furnish such official with a certificate showing the days on which he attended to give evidence and the amount of batta and travelling allowance paid to him on that account.

(4) When a public servant whose emoluments are governed by the Army Regulations, India, appears in any case under rule 1 to give evidence in his official capacity, he shall be paid the travelling allowance and batta admissible under these rules, and shall be furnished with a certificate showing in detail the amount paid. If the amount paid is less than the amount admissible under the military rules to which he is subject, the difference will be paid to him by the military authorities on production of the certificate.

3. Medical subordinates in Local Fund or Municipal employ (including Government servants lent to and paid by local bodies) when attending court to give evidence in their public capacity shall be paid the same rates of travelling allowance and batta as would be admissible to Government servants of similar grades under the Civil Service Regulations.

4. Non-official witnesses are entitled to travelling allowances under two different scales as shown below according as they are (1) Europeans or East Indians, or (2) Natives. Persons falling under either of these descriptions are for the purpose of these rules, divided into three classes; and the Judge or Magistrate before whom they are required to appear either as complainants or as witnesses shall be careful to fix the class with due regard to the station in life which they occupy—

	Europeans and East Indians.			Natives.		
	First class.	Second class.	Third class.	First class.	Second class.	Third class.
Travelling allowance—						
By rail	First-class fare.	Second-class fare.	Third-class fare.	First-class fare.	Second-class fare.	Third-class fare.
By road	As. 8 per mile.	As. 4 per mile.	As. 2 per mile.	As. 6 per mile.	As. 3 per mile.	1 pice per mile.

Batta not to exceed	Rs. 8 *per diem.*	Re. 1 *per diem.*	As. 8 *per diem.*	Re. 1 *per diem.*	As. 8 *per diem.*	As. 4 *per diem.*

5. In cases within rule 1, the Commissioner of Police may make reasonable advances to witnesses resident in the City of Madras who are summoned by a criminal court in the mofussil and who require the advances to enable them to reach the court. The court issuing the summons, on being advised by the Commissioner of Police of the advances made, will refund the amount to him.

6. The distance for which mileage and the number of days for which batta should be allowed for the journey to and from the station at which the court is and held for attendance at court shall be determined by the Judge or Magistrate ordering the payment in each case.

7. All bills for travelling allowance and batta to complainants and witnesses attending before the courts of Magistrates of the second and the third class shall be scrutinized by the Magistrate of the division in which such courts are situated before the charges included in them are finally passed.

8. Whenever a Magistrate dismisses a case as frivolous or vexatious under section 250 of the Code of Criminal Procedure, no travelling allowance or batta shall be granted to the complainant in such case.

9. The criminal courts are authorized to pay the necessary and actual expenses of carriage to a witness travelling by road, in the case of persons whose sickness, age, position or habits of life render it impossible for them to walk, provided the expense incurred under this rule shall in no case exceed As. 8 a mile.

10. To Natives and Europeans graded in the first class of non-officials, there may also be allowed the actual cost of carriage-hire to and from court on the days of attendance at court.

11. Subjects of the French Government who are in the official employ of that Government in the French Dependencies in India appearing as witnesses before criminal courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. Magistrates are required to refer any doubtful claim for scrutiny to the Collector of South Arcot who is the Special Political Agent for the French Dependencies in India.

12. Officials of the Government of Ceylon appearing as witnesses before criminal courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. The claim should be submitted through the head of the department to which the official belongs.

13. Officials of the Mysore Durbar appearing as witnesses in their official capacity before courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates at which they would be entitled under the Regulations of their own Government. This arrangement may be extended by the Government to other Native States which have agreed to pay the expenses of British official witnesses from the Madras Presidency appearing in their courts on the same scale as that admissible to them under the Regulations of the Madras Government.

2. It was recently suggested by the Government of Bengal that the form of agreement should be revised so as to bring it into conformity, as far as possible, with the form prescribed by the Board of Trade. This suggestion was accepted by the Government of India, after consultation with the other maritime local Governments concerned. The form has accordingly been revised and brought up to date, and the Governor-General in Council is pleased to direct, under section 27 (1) of the Indian Merchant Shipping Act, 1883 (V of 1883), and in supersession of all previous orders on the subject, that agreements between masters of ships and lascars or other native seamen shall in future be drawn up in the form annexed to this resolution.

[Any Erasure, Interlineation, or Alteration in this Agreement will be void unless made with the consent of the persons interested, and attested by some Superintendent of a Mercantile Marine Office, or Consular or Colonial Officer.]

REGULATIONS FOR MAINTAINING DISCIPLINE.

[Sanctioned by Government in pursuance of section 27 (g) of the Indian Merchant Shipping Act, 9 of 1859.]

These Regulations are distinct from, and in addition to, those contained in the Act, and are sanctioned, but not universally required by law. All or any of them may be adopted by agreement between a master and his crew, and thereupon the offences specified in such of them as are so adopted will be legally punishable by the appropriate fines or punishments.

These regulations are all numbered, and the numbers of such of them as are adopted must be inserted in the space left for that purpose in the agreement, page 755, and the following copy of these regulations must be made to correspond with the agreement by erasing such of the regulations as are not adopted. If the agreement is made before the Superintendent of a Mercantile Marine Office, his signature or initials must be placed opposite such of the regulations as are adopted.

For the purpose of legally enforcing any of the following penalties, the same steps must be adopted as in the case of other offences punishable under the Act, that is to say, a statement of the offence must, immediately after its commission, be entered in the official log-book by the direction of the master, and must, at the same time, be attested to be true by the signatures of the master and the mate, or one of the crew; and a copy of such entry must be furnished, or the same must be read over, to the offender, before the ship reaches any port or departs from the port at which she is; and an entry that the same has been so furnished or read over, and of the reply, if any, of the offender, must be made and signed in the same manner as the entry of the offence. These entries must, upon discharge of the offender, be shown to the Superintendent of a Mercantile Marine Office before whom the offender is discharged; and if he is satisfied that the offence is proved, and that the entries have been properly made, the fine must be deducted from the offender's wages and paid over to the Superintendent.

If, in consequence of subsequent good conduct, the master thinks fit to remit or reduce any fine upon any member of his crew which has been entered in the official log, and signifies the same to the Superintendent, the fine shall be remitted or reduced accordingly. If wages are contracted for by the voyage or by share, amount of the fines is to be ascertained in the manner in which the amount of forfeiture is ascertained in similar cases under section 22 of Act I of 1859.

INSTRUCTIONS TO MASTERS.

The Master of every foreign-going ship of which the crew has been engaged before a Shipping Master, shall, before finally leaving India, sign and send to the nearest Shipping Master a full and accurate statement, in a form sanctioned by the Governor-General of India in Council, of every change which takes place in his crew before finally leaving India, and in default shall for each offence incur a penalty not exceeding fifty rupees, and such statement shall be admissible in evidence subject to all just exceptions.

In the case of substitutes engaged in the place of seamen who have duly signed the agreement, and whose services are lost within twenty four hours of the ship's putting to sea by death, desertion, or other unforeseen cause, the engagement shall, when practicable, be made before some Shipping Master duly appointed in the manner hereinbefore specified; and whenever such last-mentioned engagement cannot be so made, the Master shall, before the ship puts to sea if practicable, and if not, as soon afterwards as possible, cause the agreement to be read over and explained to the seamen; and the seamen shall thereupon sign the same in the presence of a witness, who shall attest their signatures.

The Master of a British ship shall not leave a seaman behind at any place out of India (except where the seaman is discharged in accordance with the Merchant Shipping Acts), unless he previously obtains, endorsed on the agreement with the crew, the certificate of the proper authority stating the cause of the seaman being left behind, whether the cause be unfitness or inability to proceed to sea, desertion, or disappearance or otherwise; the presence or absence of this certificate largely determines the owner's liability for the expenses incurred should the seaman fall in distress.

Deductions for fines, forfeitures, etc., which are sought to be made from the wages of seamen, must be proved by proper entries in the Official Log Book.

Upon paying off or discharging any seaman the Master is required to enter in the Official Log Book a statement of conduct, character and qualification or a statement that he declines to give an opinion on such particulars.

Whenever a seaman or apprentice, on a voyage which is to terminate at any port in India, dies during such voyage, the Master shall take charge of all money, clothes, and effects which he leaves on board, and shall enter in the Official Log Book a statement of the amount of money and a description of the effects left by the deceased, and in case of a sale of such effects, the sum received for each article sold.

The Master shall, within forty-eight hours after his arrival at his port of destination in India, deliver any such effects as aforesaid, and pay any money which he has taken charge of or received, and also the wages due to deceased, to the Shipping Master at such port, and shall give to such Shipping Master an account of the effects, money and wages so to be delivered and paid and no deductions claimed in such account shall be allowed unless verified, if there is an Official Log Book, by the entry therein hereinbefore required, and also by such other vouchers (if any) as may be reasonably required by the Shipping Master, to whom the account is rendered.

If the Master fails to take such charge of the money or other effects of a seaman or apprentice dying during a voyage, or to make such entries in respect thereof, or to make such payment or delivery, or to give such account as hereinbefore respectively directed, he shall be accountable for the money, wages and effects of the seaman or apprentice to the Shipping Master as aforesaid, and shall pay and deliver the same accordingly; and such master shall in addition incur a penalty not exceeding treble the value of the money or effects, or if such value is not ascertained, not exceeding five hundred rupees. All money, wages and effects of any seaman or apprentice dying during a voyage shall be recoverable in the same courts and by the same modes of proceeding by which seamen are hereby enable to recover wages due to them.

LAWS REGULATING THE TRANSFER OF LASCARS FROM ONE SHIP TO ANOTHER.

Section 29 of Act V of 1883.

1. Whenever it is agreed that the service of any lascar or other native seaman shall end at any port not in British India, the agreement shall, in addition to the particulars specified in section twenty-seven, contain a stipulation that fit employment shall be provided for him on board some other ship bound to the port at which he was shipped or such other port in British India as may be agreed on, or that a passage shall be provided for him to some port in British India free of charge or on such other terms as may be agreed on.

2. Every such stipulation shall be signed by the owner of the ship or by the Master on his behalf.

3. In this section the word "seaman" shall include also any native of British India carried to sea from any port in British India as one of the crew of a ship.

Section 125 of the English Merchant Shipping Act of 1894.

Agreements with Lascars.

125. (1) The Master or owner of any ship or his agent may enter into an agreement with a lascar or any native of India, binding him to proceed either as a seaman or as a passenger :—

Engagement of seamen

(*a*) to any port in the United Kingdom, and there to enter into a further agreement to serve as a seaman in any ship which may happen to be there, and to be bound to any port in British India ; or (*b*) to any port in the Australian Colonies, and there to enter into a further agreement to serve as a seaman in any ship which may happen to be there, and to be bound to the United Kingdom or to any other part of His Majesty's dominions.

(2) The original agreement shall be made in such form and contain such provisions, and be executed in such manner and contain such conditions for securing the return of the lascar or native to his own country and for other purposes, as the Governor-General of India in Council or the Governor in Council of any Indian Presidency to which the agreement is made may direct.

(3) Where any lascar or native bound by the original agreement is, on arriving in the United Kingdom or one of the said colonies, as the case may be, required to enter into such further agreement as aforesaid, some officer appointed for the purpose in the United Kingdom by a Secretary of State in Council of India, or in any such colony by the Governor of the colony, may on the payment of such fee not exceeding ten shillings, as a Secretary of State in Council of India or the Governor may direct, certify,—

(*a*) that the further agreement is a proper agreement in all respects for the lascar or native to make, and is in accordance with the original agreement, and

(*b*) that the ship to which the further agreement relates is in all respects a proper ship for the lascar or native to serve in and also where the ship is in one of the said Australian colonies, that it is properly supplied with provisions ; and

(*c*) that there is not, in his opinion, any objection to the full performance of the original agreement ;

and thereupon the lascar or native shall be deemed to be engaged under the further agreement and to be for all purposes one of the crew of the ship to which it relates, and the lascar or native shall, notwithstanding a refusal to enter into the further agreement, be liable to the same consequences and be dealt with in all respects in the same manner, as if he had voluntarily entered into the same.

(4) The Master of every ship arriving at a port in the United Kingdom, which has or during any part of her voyage has had on board a lascar or any native of India either as one of her crew or otherwise shall exhibit to the officer of Customs, or to such person as the Board of Trade may authorise in that behalf, a statement containing a list and description of all lascars or natives of India, who are or have been, as on board, and an account of what has become of any lascar or native of India who at any time during the voyage has been, but is not then on board, and the ship shall not be cleared inwards, until the statement is exhibited and if the Master fails to exhibit such statement he and the owner of the ship shall be liable jointly and severally to a fine not exceeding ten pounds for every lascar or native of India in respect of whom the failure takes place.

(1) The following new rules 8-A and 8-B shall form Part II of the rules, the existing Part II being numbered Part III :—

PART II.

"*Method of preparation of boilers for examination and the fee leviable for non-compliance*

"*Rule* 8-*A*.—The examination of boilers is of two kinds—

"(*a*) *Complete examination*.—When a licence granted under section 7 of the Act is "about to expire or when it has been revoked or suspended under section 11 of the Act and "the owner requires renewal thereof, a thorough examination of the boiler inside and outside "shall be made by one of the Inspectors in person. The date and hour at which he will examine "a boiler shall be notified by the Inspector to the owner or user and it must be prepared before-"hand for inspection in accordance with the printed instructions which will accompany the "notification. These will lay down that the boiler flues, tubes and furnaces must be swept "clean ; that the boiler must be empty, cool, clear inside and outside ; that the fire bars, bearers "and bridges, blow off, water gauges, test cocks, safety and main steam stop valves must be "removed, and that the requirements of rule 11 must also be met

"(*b*) *Partial examinations*.—A partial examination may be made at any time for the "purpose of ascertaining whether a certificate should be suspended or revoked under section "11 of the Act.

"*Rule* 8-*B*.—The Senior Inspector shall give not less than four days' notice in the "case of Madras city and fourteen days' notice in the case of mufassal areas when a com-"plete examination of any boiler is to take place. He shall at the same time warn the owner "or user that if the boiler is not prepared agreeably to the printed instructions issued according "to rule 8 (1) by the time and date of examination, no examination will be made until these "requirements are met and that if a further visit is thus necessitated for the examination of the "boiler, the owner or user shall pay a fee of Rs. 50."

(2) For the second paragraph under "stays" in rule 36, the following shall be substituted :—

"*Dished or cambered ends*.—The unstayed dished ends of cylindrical boilers having "radii equal to two-thirds or not more than the diameter of the shell to which they are "attached, provided the plates are dished with suitable dies by machine, shall be allowed a "calculated tensile stress of 6,000 lbs. per square inch.

"The radii of the corners of flanges should not be less than one-eighth the radii of the "camber.

"In the case of vertical boilers the use of cambered or dished crown plates to the shell "and furnace should be discouraged. Hemispherical crown plates should preferably be fitted. "Dished plates must not be hammered or flogged. All plates that have been dished or flanged "should be annealed.

"The thickness of dished ends should never be less than that of the shell to which they "are attached.

"Dished ends the radii of which exceed the diameter of the shell but are theoretically "equal to the pressure needed when considered as portions of spheres should be stayed, such "stays being properly distributed. The stays when solid may have a nominal stress of 12,000 "lbs. per square inch of net section. Stay tubes made of steel may be allowed a stress not "exceeding 7,500 lbs. per square inch of net section, provided their net section is in no case less "than one-quarter of an inch.

"Lancashire or Cornish boilers fitted with wrought steel dished ends, the radii of which "are equal to one or to a maximum of one and a half the diameters of the boilers, may have a "calculated tensile stress of 9,000 lbs. per square inch on the concave side only of the dished "ends when corrugated lengths are fitted in the flue and furnace tubes, and 11,000 lbs. per "square inch when there are no corrugated lengths in the furnace and flue tubes.

"The tensile strength of plates used in the construction of dished ends should not be less "than 24 or more than 28 tons per square inch with an elongation of not less than 20 *per cent.* "in a length of 10 inches."

(3) In line 2 of rule 40, the words 'not less than 38 inches' shall be substituted for "the word 'ordinary' and at the end of paragraph 3 of this rule the following sentence shall "be added :—

"Furnaces less than thirty-eight inches diameter shall in every respect comply to the "foregoing and to the restrictions following except that the radius of the flange on the water "side shall not be less than one inch, the depth of the flange from the water side shall be 3½ "inch, the depth of the ring between the flanges 2½ inches and the diameter of the rivet shall "not be less than the thickness of the plate *plus* one-quarter inch."

Any objection or suggestion which may be made in respect of these additions and alterations by any person interested therein will be considered on or after the 1st September 1912
